Stitches (UK)

- ✕ **ch** chain
- ✕ **dc** double crochet
- ✕ **ss** slip stitch
- ✕ **st** stitch

Tips and tricks

- ✕ Make sure your cozy hugs the mug tight. You don't want it to sag.

Hooksize: 2.5mm (US size 1/B)
Gauge: depending on mug, see notes.

Yarns

See the colour table for used yarns.

Notes

Gauge is depending on your mug and hook size. For me, 55 dc on a 2.5mm hook was the right size to fit an 8cm diameter (3in) mug. To determine right size, measure after Row 2: there should be a ~1cm gap between both ends when wrapped around mug.

To adjust size of mug cozy: remove or add chains from the base chain and adjust stitch count for each row accordingly. Don't make less than 54 chains, otherwise the embroidery pattern (which is 47 stitches wide) won't fit on the cozy. Instead, go down a hooksize if possible.

Pattern

With **SW**, ch56.

Row 1 Starting in 2nd ch from hook, 55dc, ch1, turn. (55 dc)

Row 2 2ss, 51dc, skip last 2 st, ch1, turn. (51 dc)

Row 3 51dc, skip last 2ss, ch1, turn. (51 dc)

Row 4 51dc, ch1, turn.

Rows 5-18 51dc, ch1, turn.

Row 19 51dc, ch23, turn.

The 23 ch are for the button fastening.

Row 20 Skip 23 ch, 51dc, fasten off.

Weave in end on top of cozy, leave the starting tail of the yarn.

The back and front of the cozy are similar. Depending on whether you want your button on the left or right side of the handle, turn the side of your cozy with your 23ch to the right (= button on right side) or to the left (= button on left side).

Embroidery

Work your embroidery on Rows 3-18 in cross stitch according to the embroidery scheme, with Row 3 being the bottom, and Row 18 being the top of your embroidered motif (are shown as grey in the crochet diagram). You read the scheme as follows:

Every square represents a crocheted stitch in your cozy. The white squares will not be embroidered. The coloured squares represent the cross stitches you're going to make. In every square there's a letter, corresponding to the colour you use for the embroidery.

For details regarding how you embroider read the Tips & Tricks document, or watch the video tutorial provided by Esther for week 2 of the Hygge CAL.

Finishing

Block to straighten the embroidery stitches and cozy (see Tips & Tricks document for instructions on blocking). Make sure not to block it too large in size as otherwise it will be too big for the cozy. Rather, just straighten out the edges. The cozy needs to hug your mug, not sag.

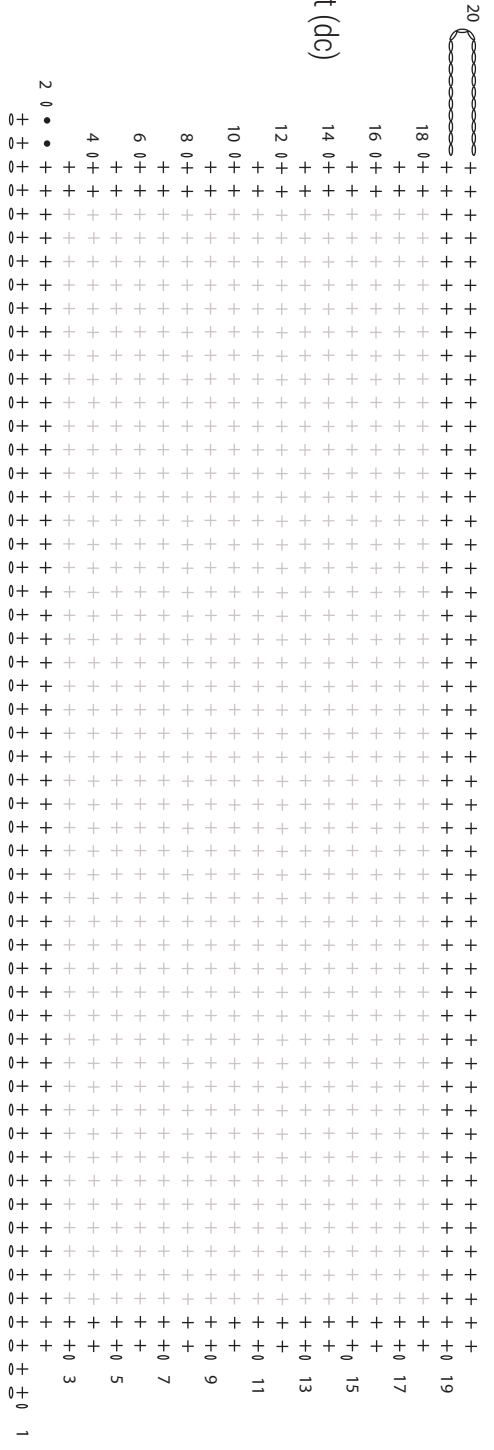

Fasten the button on the opposite side of the ch-fastening. Use starting yarn end to sew the small end (Rows 1-2) of the cozy together. Weave in any loose ends.
