Tips and Tricks

Make sure your cozy hugs the mug tight. You don't want it to sag.

Gauge

Depends on mug – see notes.

Notes

Gauge depends on your mug and hook size. For me, 55 sc on a 2.5 mm hook was the right size to fit a 3-inch (8cm) diameter mug. To determine the right size, measure after Row 2. There should be a less than 1 cm gap between both ends when wrapping around the mug.

To adjust the size of the mug cozy, remove or add chains from the base chain and adjust the stitch count for each row accordingly. Do not make less than 54 chains, otherwise the embroidery pattern (which is 47 stitches wide) won't fit on the cozy. Instead, go down a hook size, if possible.

Pattern

With SW and leaving a long starting yarn end, ch 56

Row 1: Starting in the 2nd ch from hook, 55 sc, ch1, turn (55 sc)

Row 2: 2ss, 51sc, skip last 2 sts, ch1, turn (51 sc)

Row 3: 51sc, skip last 2ss, ch1, turn (51 sc)

Row 4: 51sc, ch1, turn.

Rows 5-18: 51sc, ch1, turn.

Row 19: 51sc, ch23, turn. (The 23 chains are for the button fastening.)

Row 20: Skip 23 ch, 51sc, fasten off.

Weave in end on top of cozy, leave the starting tail of the yarn.

The back and front of the cozy are similar. Depending on whether you want your button on the left or right side of the handle, turn the side of your cozy with your 23ch to the right (= button on right side) or to the left (= button on the left side).

Embroidery

Work your embroidery on Rows 3-18 in cross-stitch, according to the embroidery scheme, with Row 3 being the bottom and Row 18 being the top of your embroidered motif (shown as grey in the crochet diagram). You read the scheme as follows:

Every square represents a crocheted stitch on your cozy. The white squares will not be embroidered. The colored squares represent the cross stitches you're going to make. In every square there is a letter, corresponding to the color you use for the embroidery.

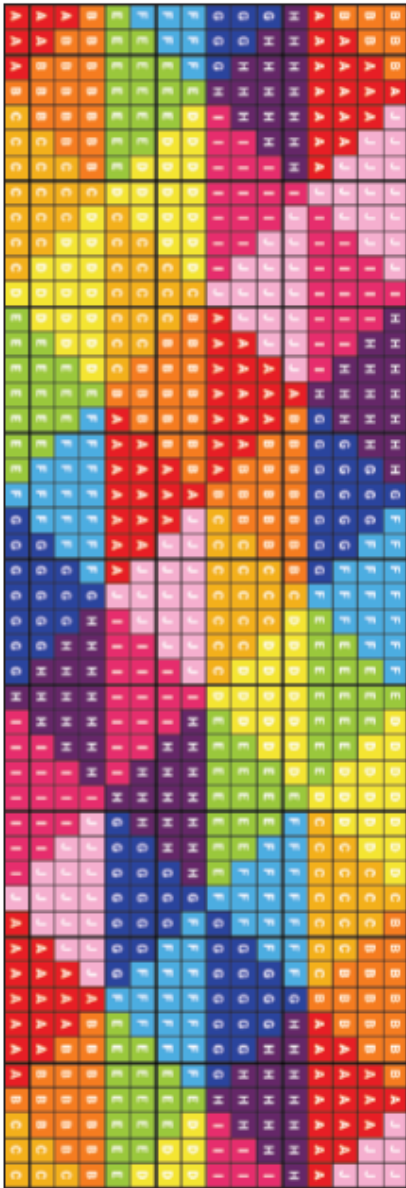

For details regarding how you embroider, read the Tips & Tricks document, or watch the video tutorial provided by Esther for Week 2 of the Hygge CAL.

Finishing

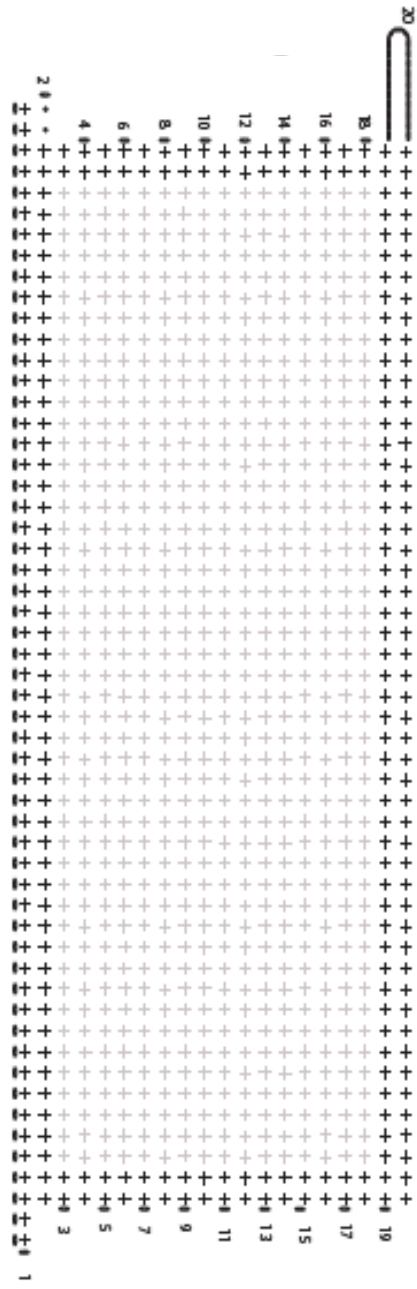

Block to straighten the embroidery stitches and cozy (see Tips & Tricks document for instructions on blocking). Make sure not to block it too large in size, as it will be too big for the mug. Rather, just straighten out the edges. The cozy needs to hug your mug – not sag.

Fasten the button on the opposite side of the ch-fastening. Use the starting yarn end to sew the small end (Rows 1-2) of the cozy together. Weave in any loose ends.
