INSPIRATION IN EVERY BALL OF YARN

Stitches (US)

- × ch – chain
- × sc – single crochet
- × ss – slip stitch
- × st(s) – stitch (es)
- × RS/WS – right side/wrong side

Repeat formats

(…)x times – work the instructions between (…) a total number of times stated

(…) brackets contain the stitch count at the end of the row

Yarns

3 colors Scheepjes Catona (100% cotton, 25g/62.5m) – In the example I used colors 105, 222 and 258

Hook -

US C/2 – 3.0 mm

Gauge

One motif measures 4 inches (10cm)

Notes

The heart starts with a magic loop but is worked in rows, so you don't close the circle in Row 1, rather you crochet a turning chain and turn your work.

Turning chains do not count as stitches.

When crocheting the 11 sc in Row 6, it is easiest to make 5 stitches on one side of the magic loop, 1 stitch in the magic loop and 5 stitches on the other side.

Pattern

Heart halves (make two in two different colors)
Make a magic loop.

Row 1 (RS): 5sc in magic loop, ch1, turn (5sts)
Row 2 (WS): 1sc, (2sc in next st) 3 times, 1 sc, ch1, turn (8sts)
Row 3: 1sc, (1sc, 2sc in next st) 3 times, 1sc, ch1, turn (11sts)
Row 4: 1sc, (2sc, 2sc in next st) 3 times, 1sc, ch1, turn (14sts)
Row 5: 1sc, (3sc, 2sc in next st) 3 times, 1 sc, ch1, turn heart 90 degrees – for clarification, see diagram (17sts)
Row 6: Work 11 sc evenly distributed in the side of the rows on the flat side of the circle, ch1, turn.
Row 7: 11 sc, turn.
Row 8: (ch12, start in second ch from hook, 11ss, 1ss at base of ch, 1ss in each of next 2 sts of Row 7) 5 times, ch 12, start in second ch from hook, 11ss, 1ss in st t base of ch, cut yarn.

Joining heart halves
Use the third color for the edging. In this explanation, I used the colors of the sample heart halves.

Join color in white heart half with 1 ss in the side of Row 7, 1sc in side of same row, 1sc in side of next row, 1sc in each st of Row 5, 1sc in side of Row 6, 1sc in side of Row 7, crochet the last st of right heart and left heart halves together. Working on second heart half – 1sc in side of next row, 1sc in each sc of Row 5, 1sc in each of next two rows. Do not fasten off.
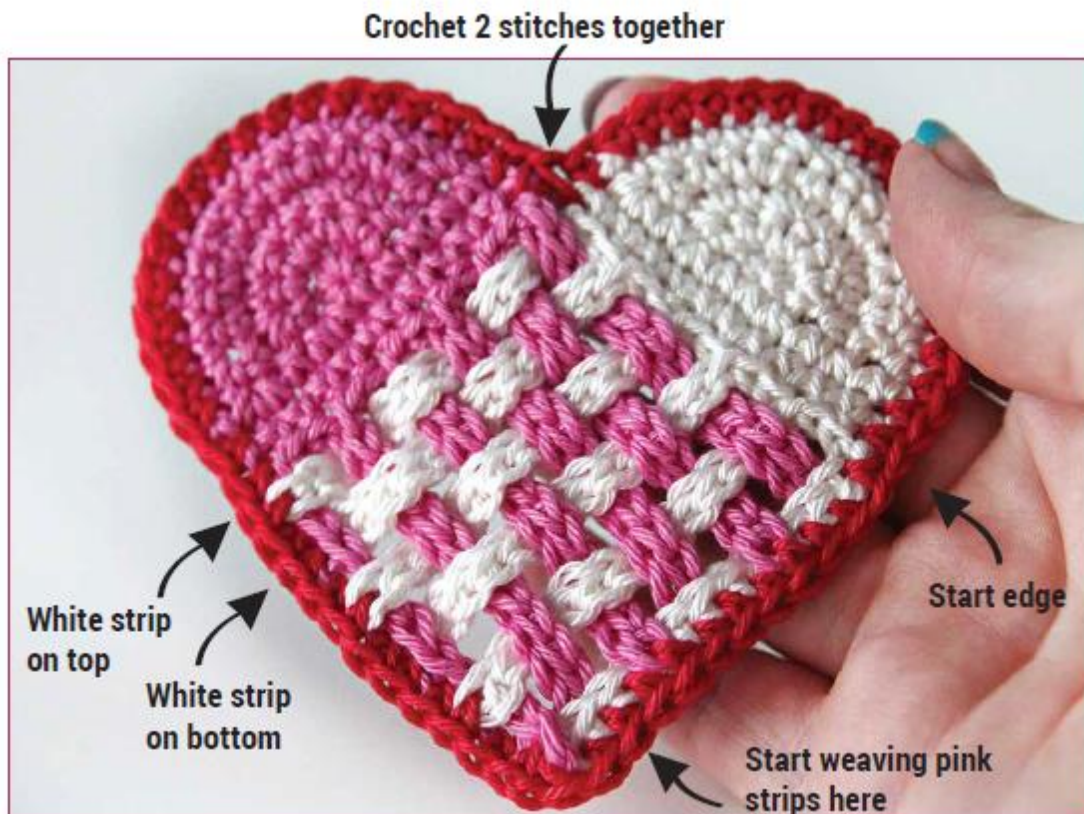

Weaving
The weaving consists of two parts: In the first part (before crocheting the point of the heart), you don't have to worry about weaving your pink/white strips correctly except for the top or bottom placement of the white strips. After crocheting the point of the heart, you will weave the pink strips through the fastened white strips.
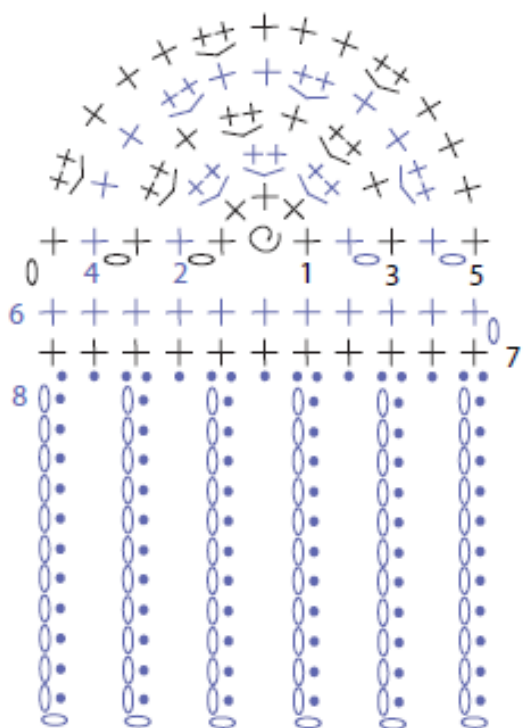

Take the first, innermost strip of the white half (towards the middle of the heart) and place it above the last pink strip (on the outside of the heart). Crochet 1sc through the st on the white strip and the underlying st on the pink strip, 1 sc in next st in pink strip.

Take the next white strip and place it below the pink strip, 1sc through both strips, 1sc in next st in pink strip. Repeat this until all white strips are fastened to the pink strip, alternating white on top and bottom, ending with pink on top.

Ch1, 1sc in same st (tip of heart made), 1sc in next st on white strip. Take the second pink strip and weave it through the fastened white strips, ending with a white strip on top, 1sc through both strips, 1sc in next st of white strip. Continue like this until all strips have been woven and joined. Join with 1ss in first sc. Fasten off.

Crochet 2 stitches together
White strip on top
White strip on bottom
Start edge
Start weaving pink strips here
