WEEK 5 ROUNDS 45-52

PATTERN NOTES

- This part is worked alternating RS and WS, with only one colour used per round. Don't cut the yarn (unless otherwise stated), but carry it from one round to another on WS of your work.
- Cut yarn only if a new colour (except if Yarn A) is used. For the two-colour version, no yarns will be cut at any round.
- For an easy count, mark the first and last stitch on every round. The rounds are joined with a ss in the first stitch of the round. The first stitch of each round is made in the last stitch of the previous round (unless otherwise stated).
- Skip stitches of current round behind FPdtr sts.
