## PATTERN NOTES

This part is made up of 10 motif squares that are joined together as-you-go. Beg with First Motif and fasten off once complete. Remaining nine Join-As-You-Go Motifs are identical to First Motif, besides Round 11; in Round 11 of each Join-As-You-Go Motif, the last edge worked is joined to the motif made previously using PLT join method (see Tips & Tricks document). See Schematic 6: Part 1 Joining Schematic.

Cnrs are formed by ch-1 sps throughout, these fall bet tr sts. Pm as you go to keep track of cnr-sps.

St counts are given for the full round as opposed to per edge.

Use 2.5mm hook if using Metropolis yarn and 3.5mm hook if using Scrumptious yarn.
