PATTERN NOTES

In this part, two kinds of motifs are made using colours as shown in Schematic 1 of your chosen colourway. Make 40 motifs total in this part: 20 per motif instructed below. Once motifs are made, they are laid out with motifs from Part 7 and joined tog using ss join method (working through both lps and through st itself on raw edge), to form Panel 4. Edging round is worked around Panel 4 before being joined to Panel 3; all Blanket panels will now be joined. Lastly, a border section is worked around Blanket to finish.
Ss to beg of row/round before working beg sts where required throughout.
Use 2.5mm hook if using Metropolis yarn and 3.5mm hook if using Scrumptious yarn, unless otherwise specified.

MEASUREMENTS

Metropolis version: Solid Triangle Motifs (unjoined) measure 6.5 x 9cm; Granny Square Motifs (unjoined) measure 6.5 x 7cm
Scrumptious version: Solid Triangle Motifs (unjoined) measure 8.5 x 10cm; Granny Square Motifs (unjoined) measure 8.5 x 8.7cm

JOIN MOTIFS FROM PART 7 AND PART 8 TO MAKE PANEL 4

Lay out Quarter Motifs, Solid Triangle Motifs and Granny Square Motifs from Parts 7-8 as per Schematic 1 for your chosen colourway.

Using a 0.5mm larger hook for this section only and Yarn C, join all motifs tog with WS facing (RS tog) in any order using ss join method (working through both lps and through st itself on raw edge) for all **vertical seams** first, working 17ss per vertical seam per motif. *Note: work through both lps when joining edges of sts, and work through the st itself when joining edges of row ends.*

Once vertical seams are joined, cont to join **horizontal seams** using ss join method in same way.

Fasten off yarn and rejoin yarn as required throughout.

Weave in all ends once all motifs are joined.

GRANNY STITCH EDGING

Follow red line of Schematic 16.

With RS facing, join Yarn A with ss in cnr dtr of Solid Triangle Motif marked with green dot on Schematic 16, (beg tr, 1tr) in same dtr, cont as folls, *treating the dtr sts across the unjoined edge of each motif as ch-sps by working around post NOT in top of st as normal:* 2tr in next ch-sp, 3tr in next 14 ch-sps, 2tr in next ch-sp, *5tr in 'peak' st from same Solid Triangle Motif, (3tr in next eight ch-sps, 2tr in cnr of Quarter Motif) 3 times, 3tr in next seven ch-sps.

Cont to work decrease as folls: (yoh, insert hook in ch-sp, yoh, pull up lp, yoh, draw through 2 lps) 3 times in next ch-sp, (yoh, insert hook in ch-sp, yoh, pull up lp, yoh, draw through 2 lps) 3 times in next ch-sp, yoh, draw yarn through all 7 lps on hook (decrease complete). Cont as folls: 3tr in next seven ch-sps, (2tr in cnr of Quarter Motif, 3tr in next eight ch-sps) 3 times, rep from * once more, 5tr in 'peak' st from same Solid Triangle Motif, 2tr in next ch-sp, 3tr in next 14 ch-sps, 2tr in next ch-sp, 4tr in cnr dtr of same Solid Triangle Motif *(pm in third tr worked in this cnr).* [17 2-tr grs, 2 5-tr grs (peaks), 2 tr6tog, 152 3-tr grs (decreases), 1 4-tr gr]

Cont to work 23 3-tr grs evenly across next four Granny Squares and Quarter Motifs *ending in st before bottom left cnr-sp of panel.* [23 3-tr grs]

Cont to work (3tr, ch3, 3tr) in cnr-sp, work 5 3-tr grs evenly across Granny Square, (ch1, work 6 3-tr grs across Granny Square) 19 times *omitting final 3tr of last rep*.
[118 3-tr grs, 19 chs]

Cont to work (3tr, ch3, pm in ch-3 sp just made for starting point of next section, 3tr) in cnr-sp, work 23 3-tr grs evenly across next four Granny Squares and Quarter Motifs *ending at starting point*. [23 3-tr grs]

Cont to work 2tr in same st as beg tr *(pm in second tr just worked)*, ss in beg tr to join. Fasten off and weave in ends.

JOIN PANEL 4 TO PANEL 3

Cont to work blue line of Schematic 16: ch1, 1dc in marked tr of Granny Stitch Edging round (marked with green dot on Schematic 16), join Panel 4 to Panel 3 across 'zigzag' edge in same way as prev panel joins using Flat Braid Join method (last dc falls in marked st). [172 ch-sps, 173 dc]
After joining this edge (marked by blue line on Schematic 16), 1dc in same (marked) st, ch1, sk 1 tr, work 24 3-tr grs bet the 3-tr grs of Granny Square Edging round (24th gr is bet last gr of prev round and first 3-tr gr of cnr) to tr before cnr marked with purple dot on Schematic 16, **do not** fasten off. [1 dc, 24 3-tr grs]

All panels are now joined.
