INSPIRATION IN EVERY BALL OF YARN

Stitches (US)

- × ch – chain
- × sc – single crochet
- × ss – slip stitch
- × stitch

Yarns

See the color table for yarns used.

Hook Size

4.5 mm (US Size 7)
Optionally, 4.0 mm (US Size G/6) is recommended for the Separator section.

Gauge

19 sc and 19 rows = 10 cm (4 in)

Tips and Tricks

- × If you find it hard to keep track of the rows (for example, which rows belong to the separator) take a contrast yarn and weave that horizontally through your row on the top and bottom. When you finish, take your contrast yarn out.
- × This embroidery pattern is easily created if you start at one side of the pattern and work your way through row by row.
- × The row numbers in purple indicate the row count when you count the rows continuously throughout the weeks.

Pattern

Release stitch marker from previous week, ch1, turn.
Rows 1-23: 59 sc across, ch 1, turn.
Row 24: 59 sc across. Place stitch marker in last stitch.

Separator

The separator is crocheted in rows 1-7 (Rows 24-30). Take color **A** and use a 4.0 mm crochet hook, if you tend to chain loosely. If it pulls too much or if your shawl becomes concave at the ends, switch to a larger hook size for the separator. (Separator instructions continued on Page 3).

Separator Row 1: Keep your yarn at the wrong side of your shawl. Insert your hook top-down in between the 3rd and 4th st from Row 5. Pull up a loop, insert your hook in between the 4th and 5th st from Row 4, pull up a loop, pull through loop on hook (ss made). Pull up a loop between the 5th and 6th st from Row 3, make ss,. Pull up a loop between the 6th and 7th st from Row 2, make ss. Pull up a loop between the 7th and 8th st from Row 1, make ss. First diagonal line made.

Pull up a loop between the 8th and 9th st from Row 2, make ss. Pull up a loop between the 9th and 10th st from Row 3, make ss. Pull up a loop between the 10th and 11th st from Row 4, make ss. Pull up a loop between the 11th and 12th st from Row 5, make ss. Pull up a loop between the 12th and 13th st from Row 6, make ss.

Continue making diagonal ss lines. Every repeat consists of 10 slip stitches – 5 diagonally up and 5 down. End with making a ss over the 4th-to-last sc from Row 3 – meaning that your last diagonal line consists of 4 instead of 5 ss. Cut yarn.

Separator Row 2: Pull up a loop in between the 3rd and 4th st from Row 2, pull up a loop in between the 4th and 5th st from Row 3, make ss. Pull up a loop between the 5th and 6th st from Row 4, make ss (so over the ss from your other row!). Pull up a loop in between the 6th and 7th st from Row 5, make ss. Pull up a loop in between the 7th and 8th st from Row 6, make ss.

Pull up a loop between the 8th and 9th st from Row 5, make ss. Pull up a loop between the 9th and 10th st from Row 4, make ss. Pull up a loop between the 10th and 11th st from Row 3, make ss (so over the ss from your other row!). Pull up a loop between the 11th and 12th st from Row 2, make ss. Pull up a loop between the 12th and 13th st from Row 1, make ss.

Continue making diagonal ss lines. Every repeat consists of 10 slip stitches – 5 diagonally up and 5 down. End with making a ss over the 4th-to-last sc from Row 5 – meaning that your last diagonal line consists of 4 instead of 5 ss. Cut yarn.

Embroidery

Work your embroidery on Rows 8-24 (Rows 31-47) in cross-stitch according to the embroidery scheme, with Row 8 being the bottom and row 24 being the top of your embroidered motif. You will read the scheme as follows:

Every square represents a crocheted stitch in your shawl. The white squares will not be embroidered. The colored squares represent the cross-stitches you're going to make. In every square, there's a letter which corresponds to the color you will use for embroidery.
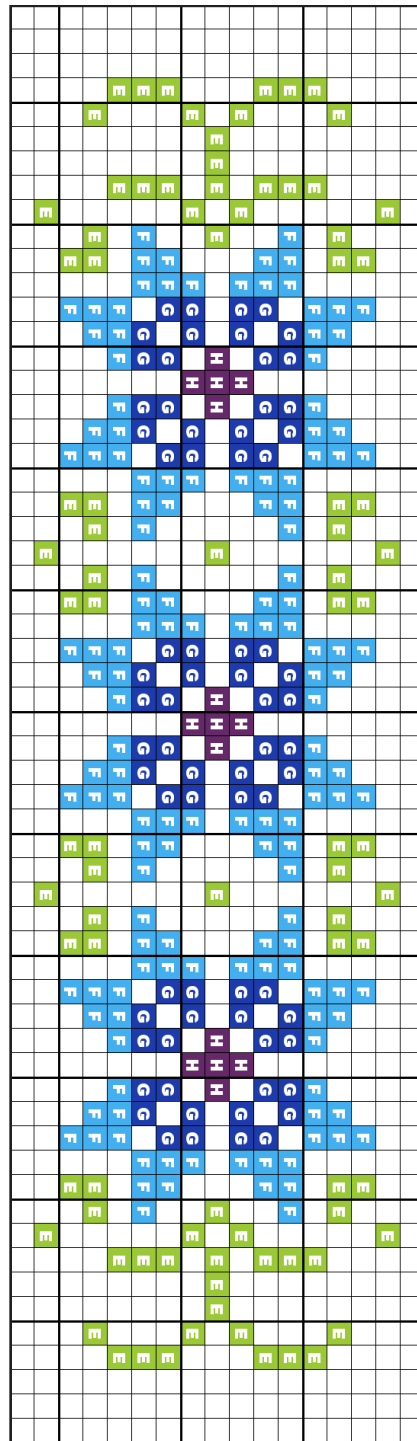

For details regarding how to embroider, read the Tips and Tricks document, or watch the video tutorial provided for this week.
