Yarns

See the color table on Page 3 for yarns used.

Tips and Tricks

- × Color changing is done by making the last loop of the stitch that is previous to the color change in the new color.
- × In between bobble stitches, crochet over Catona thread with the Stone-Washed, in order to keep the amount of loose ends to a minimum.
- × In order to make the bobbles really pop, make sure to pull the next sc extra tight.
- × The bobbles are worked on the opposite side, as compared to Week 1. Make sure to pop them to the front of your shawl before finishing.

Hook:
